Block Three

Pineapple

The Pineapple is a bit more complex than the Bullseye and Courthouse Steps, but it is easier than it looks when you use the Diagonal Seams (Snowball) Method...

And you only need 5 blocks!

Cutting:

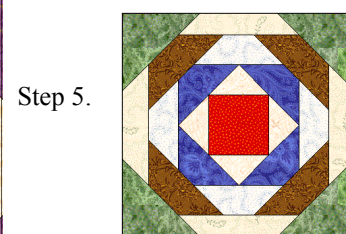

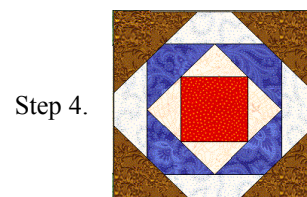

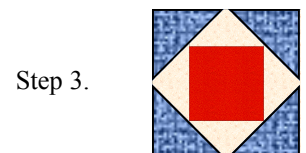

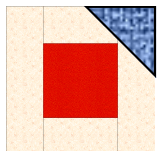

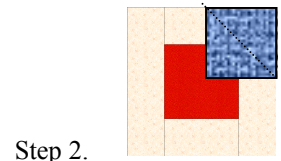

Red: 5 ea. 2 1/4" squares
 Lights: A 10 ea. 1 3/8" X 2 1/4"
 B 20 ea. 1 3/8" X 4"
 C 20 ea. 1 3/8" X 5 3/4"
 D 10 ea. 1 3/8" X 7 1/2"
 E 10 ea. 1 1/2" X 7 1/2"
 F 10 ea. 1 1/2" X 9 1/2"

Blue: 20 ea. 2 1/4" squares
 Brown: 20 ea. 2 5/8" squares
 Green: 20 ea. 3" squares
 Purple: 20 ea. 3 1/2" squares

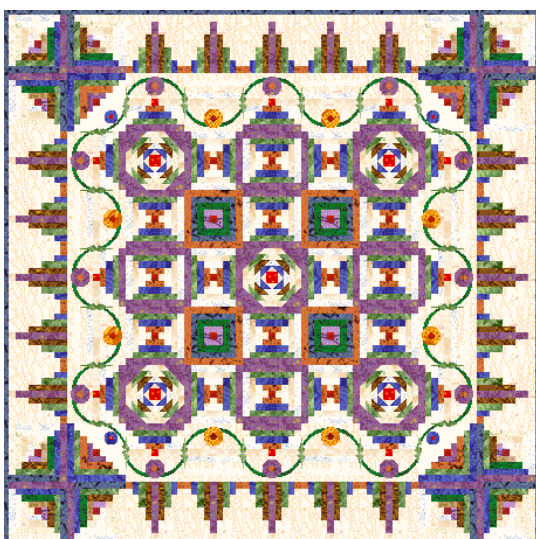

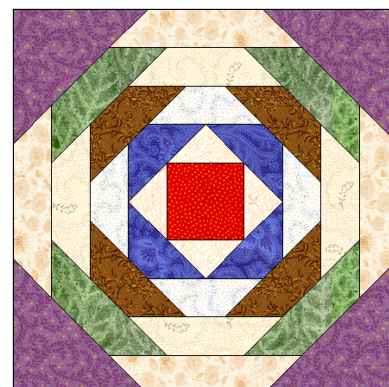

NOTE: Press all squares on one diagonal to guide your stitching.

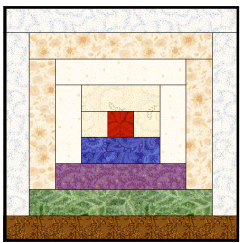

Assembly:

1. Stitch a Light A strip to opposite sides of a Red square. Stitch a Light B strip to remaining sides.
2. Next lay a Blue square Right Sides Together (RST) in one corner of the Step 1 unit. Stitch along pressed guide. Press triangle in place and trim away excess. (This is the snowball process)
3. Repeat for other 3 corners. Note that the points should meet in the middle at a point 1/4" from the edge. Square to 4".
4. Now add Light Bs to opposite sides of the block and follow those with Light Cs. Then snowball the Brown squares in the corners, press and trim. Square to 5 3/4". Note the corner of previous round is now cut off.
5. Add the Light Cs, then the Light Ds and snowball the Green squares on the resulting square. Square to 7 1/2".
6. To complete the block, add the Light Es then the Fs and snowball the Purple squares. Square block to 9 1/2". Make 5 Pineapple Blocks.

LOGS! APPLIQUE

Blocks 4 and 5 Courthouse Steps Variation and Plain Blocks
ADDING APPLIQUE TO THE BLOCKS

Here is the applique for this quilt. Notice much of the applique is fused directly on the block. The pattern for the applique is shown here. There will be Leaves at the seams to cover the meeting of the vines... The applique pattern is the same (but the block is turned round) for the Courthouse Steps Variation Blocks (Wedding Cakes) and the Plain Blocks so get ready!

Block 6 Log Cabin Blocks

Adding Applique to the

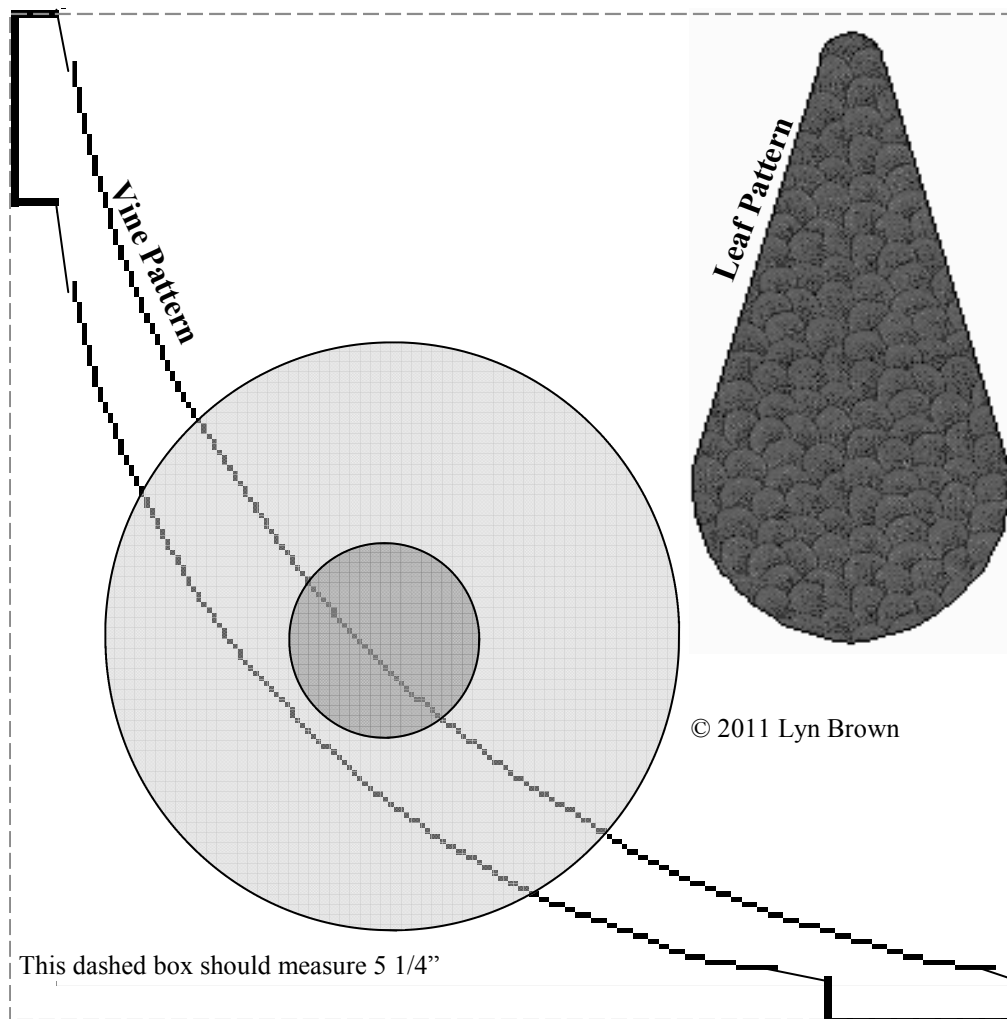

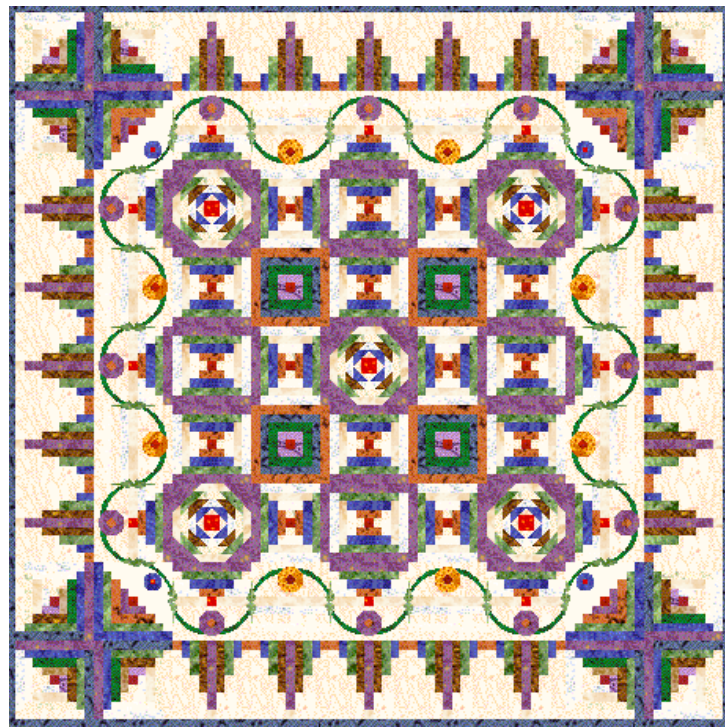

Log Cabin Blocks

And Eventually...

The Leaves to the Intersections

Here is the corner vine that goes on 4 only of the Log Cabin blocks. The dashed box should measure 5 1/4" on your printout. If not, reprint "Without Scaling" in your printer preferences. The flower on these blocks should be blue.

In the lower right hand corner is the Leaf pattern. You need 24 leaves to cover the vine intersections after the blocks are assembled. Note placement on the example shown. Assembly instructions will be posted next week. Wait until assembly is given to try to place these leaves.

Note that the flowers should be centered on the vine even though they don't appear to be here...

Block Seven—Double Half Log Cabin

In keeping with a long tradition of Quiltmakers, I have made up this Double Half Log Cabin Block to suit my needs. It makes a beautiful border for our LOGS quilt though its construction is a bit unusual.

It is a Double Half Log Cabin. Each block has two mirror imaged Half Log Cabin units, joined in the middle with a long dark center log then finished off with a single long background log across the top.

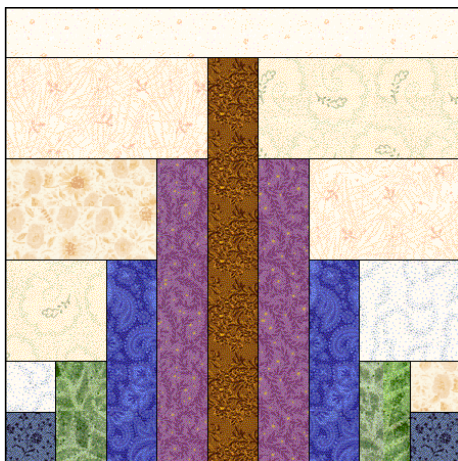

We need 20 blocks like this for the borders of our quilt.

Cutting:

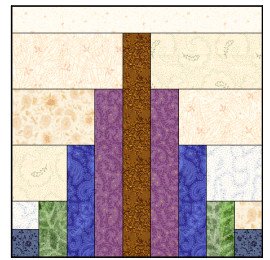

Blue:	Round 1:	40 ea. 1 1/2" squares (A)
Light:		40 ea. 1 1/2" squares (A)
Green:		40 ea. 1 1/2" X 2 1/2" strips (B)
Light:	Round 2:	40 ea. 2 1/2" squares (C)
Blue:		40 ea. 1 1/2" X 4 1/2" strips (D)
Light:	Round 3:	40 ea. 2 1/2" X 3 1/2" strips (E)
Purple:		40 ea. 1 1/2" X 6 1/2" strips (F)
