Assembly:

1. Make template. Heavy arc and lines on this sheet are one half the template. Trace onto freezer paper and mirror along dashed line to make a half circle template. Reduce or enlarge as desired.. Add "fold line " and "leave open" references as indicated on diagram above.
2. Using template, cut 4 ea. Semi-Circles from each of coordinating fabrics.
3. Layer two coordinating napkin pieces right sides together and stitch together, starting (and reinforcing) at one end of the leave open guide and working around to the other side of that guide . Clip the corners.
4. Turn, press and slip stitch opening closed.
5. Following fold guidelines, press and starch. Note that "center fold" is 1" off-center.
6. If desired, stitch along the fold lines for future reference.
7. Enjoy your Decorative Tree Napkins!
