

## LynBrown.com Presents

### Triangles: Eight At A Time!

Each month, reserve 7 light and 7 dark 8" squares

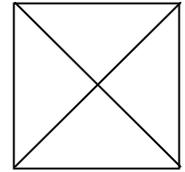

From our swaps or from your stash

Or from 2 light and 2 dark ( minimum) Fat Quarters or similar scraps.

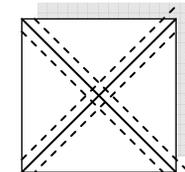

### To make 8 Half Square Triangle (HST) Units:

To make 8 ea. 3" finished HSTs, cut two squares to be 7 3/4" squares  
OR Start with 8" swap squares and trim afterwards... This is slightly more accurate.

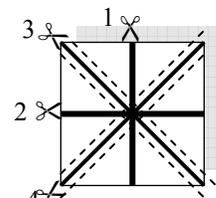

1. Fold or mark the lighter color fabric square on both diagonals as a guide.
2. Layer one dark square with the light square RST.
3. Stitch 1/4" on both sides of both diagonals.
4. Cut stitched squares in half parallel to the edges. Then cut on the diagonals. This yields 8 ea. Half Square Triangle units.
5. Trim units to 3 1/2" unfinished size if necessary.
6. Stitch the triangle units into pairs with the same orientation of light and dark. Make 28 pairs.
7. Stitch the pairs into 4-Patch type units.
8. Make 14 each 6 1/2" 4-Patch units.
