Prep for Applique: Polka Dots, Pot and Pot Lip

Contrast is important when choosing fabrics.

Also: 8" X 10" standing Plexiglass frame.

Assembly:

- Use Cut-Away fusible technique to adhere applique pieces centered on background.
- Layer with backing and batting.
- Quilt as desired, appliquéing as you quilt.
- Fold Pocket lengthwise wrong side together. Position at top edge on back of mini quilt, aligning top edge with raw edges and at sides.
- Baste in place with 1/8" seam.
- Fold Flanges in half lengthwise and baste to quilt
- Add binding as usual, catching inverted pocket and flange.
- Sign your name, date and town on the back and display over the 8" X 10" standing Plexiglass frame.
