5 ea. 2 1/2" X Length of Fabric (Binding)

**Outer Border:** 4 ea. 5 1/2" X Length of Fabric (68" min)

## ASSEMBLY:

1. Fold all background (White) rectangles on one diagonal. (The same diagonal all the time!) wrong sides together. Press.
2. Fold all Star (Yellow) rectangles on the opposite (From the White) diagonal (The same diagonal all the time!) wrong sides together. Press.
3. Position one folded rectangle atop one 8" square so the corner of the square lines up with the top triangle formed by the folded rectangle as shown. Slip a pin inside to pin the bottom two layers together. Open the rectangle up and stitch along the crease. Trim 1/4" beyond the stitching and press out.
4. Repeat for all corners of each square, ensuring the white are diagonally across from each other as are the yellows as shown. Make 48 Hexagon blocks.
5. Layout the blocks in a pleasingly random fashion into 8 rows of 6 blocks. See the Stars appear? Stitch the blocks into rows and the rows into the quilt center.
6. Add the inner border of the 3 1/2" strips.
7. Add the outer border of 5 1/2" strips.
8. Layer and Quilt as desired. Add binding of 2 1/2" strips.
