

2012 Rainbow Triangle Quilt Pattern (70" X 82")

We've been making 6" Triangle 4-Patches all year long.

Now it's time to put them together into a quilt. Classmembers should have 14 ea. 4-Patches of RED, ORANGE, YELLOW, GREEN, BLUE and PURPLE. And 6 to 7 ea. 4-Patches of yellow green and blue green, red orange and yellow orange, and blue violet and red violet. You will have a few left over.

Here is the suggested layout for these 4-Patches. Change this to fit your set of patches. Note that one block is your choice of yellow green or blue green. And of course, you are free to make any project you want!
