

# NAUTICAL TUMBLE

DESIGNED BY LYN BROWN

About 68" X 78"

## SUPPLY LIST

Live the adventure of the High Seas with this Nautical Tumble quilt. The mock up below looks nothing like the finished product. The Tumbler blocks are all pieced then some will get nautical appliqué on top of the patchwork. Some of the motifs types we will use are depicted in clip art below. In the pattern, none of the appliqué will be repeated.

We'll need a variety of Light, Medium and Dark Fabrics for this quilt. Think mostly one color (Blue? Brown? Green?) with a few contrast pieces for the appliqué... may need additional scraps for appliqué.
