

March Table Runner—36 Patch

From LynBrown.com

Here's a Pretty, Quick Tablerunner
to show off one beautiful fabric!

You only need a 12 1/2" square of a scenic fabric and
some (9) coordinating 2 1/2" strips to complete this
wonderful piece. Then have at it!

Practice your machine quilting skills!

Cutting:

1 Scenic Fabric 12 1/2" Square

3 Mediums and 3 Darks One Strip of Each - 2 1/2" x WoF
(Width of Fabric)

Binding: 3 ea. 2 1/2" WoF Strips

Assembly:

1. Lay out the strips alternating mediums and darks. Stitch together as laid out to make a strip set 12 1/2" x WoF".
2. Fold the strip set bringing the long edge of the bottom dark to meet the top medium and stitch RST forming a tube.
3. Cut the tube into 2 1/2" loops. Cut 12 loops.
4. Find the top medium square of the first loop and unsew the seam between it and what was the bottom dark square. On the next loop, unsew the seam between that dark and the adjacent medium. Lay the strips next to each other and you'll see the pattern starting to form.
5. Work your way through the loops, unstitching on each the next progressive seam then laying the strip along side the last.
6. When 6 strips are laid out and the pattern has been checked, stitch the strips together to form the 36 Patch block. Block should measure 12 1/2" square. Make a second 36 Patch block in the same way with 6 remaining loops (Repeating Steps 4-6).
7. Stitch a 36 Patch on one side of the Scenic Square. Add another 36 Patch to opposite side, watching orientation as shown.
8. Layer with Backing and Batting.
9. Quilt as desired. Have some fun. Increase your Free Motion Quilting Skills!
10. Bind with 2 1/2" Strips.
