1. Pick out a few yellows, and your yellow-greens, greens, blue greens and some blues. Stitch two yellow Quarter Squares (QS) together along short side (a). Repeat for two blues.

3. In a similar manner, stitch a yellow-green QS to a yellow-green square. Add another two yellow-green squares and finish off with a green QS. (c) Make 8 rows like this, adding in more green, then some blue-green, then some blue patches, always keeping the color flowing from patch to patch.
4. Stitch all the rows together in the order given to make a center panel to measure about 12 1/2" X 60 1/2".
