

# Three Inch Ornaments for May

Here is a fun idea. Turn any 3" quilt block into an ornament. I've given a few patterns here, but be sure to explore your favorite blocks or make up some new ones! Use them as Ornaments, Gift Toppers (use different fabrics for all sorts of occasions!) and Key Fobs. It's a great way to plow through your scrap bag and have a lot of fun!

## To Make the Blocks:

### Four Patch

CUT: 4 total 2" Squares of 2 to 4 different fabrics.

#### Assembly:

Stitch together into a pleasing 4-Patch.

### Nine Patch

CUT: 9 total 1 1/2" squares of 2 to 9 different fabrics.

#### Assembly:

Stitch together into a pleasing 9-Patch.

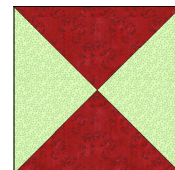

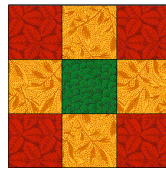

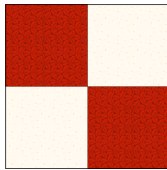

### Hourglass (Makes 2)

CUT: 2 Different 4 1/2" squares. Cut each on both diagonals/

#### Assembly:

Stitch together into 2 pleasing hourglasses.

## To Make The Ornament:

Cut two pieces of backing each 4" X 3 1/2" .

Fold Wrong Sides Together so each is 2" X 3 1/2" .

Cut a 3 1/2" square of batting and a 3" strip of cute ribbon.

#### Assembly:

Take the ribbon, folded in half, and pin into one corner of the block as shown so the ribbon is on top of the block.

Layer the batting then the block right side up and the two backing pieces atop the block so the folded edges overlap.

Pin as needed. Stitch all the way around. Trim the corners and then turn through the opening. Repeat for other blocks.

*Your Ornaments are complete.*
