

## *Nostalgic Nine In Nine Quilt (75" X 75")*

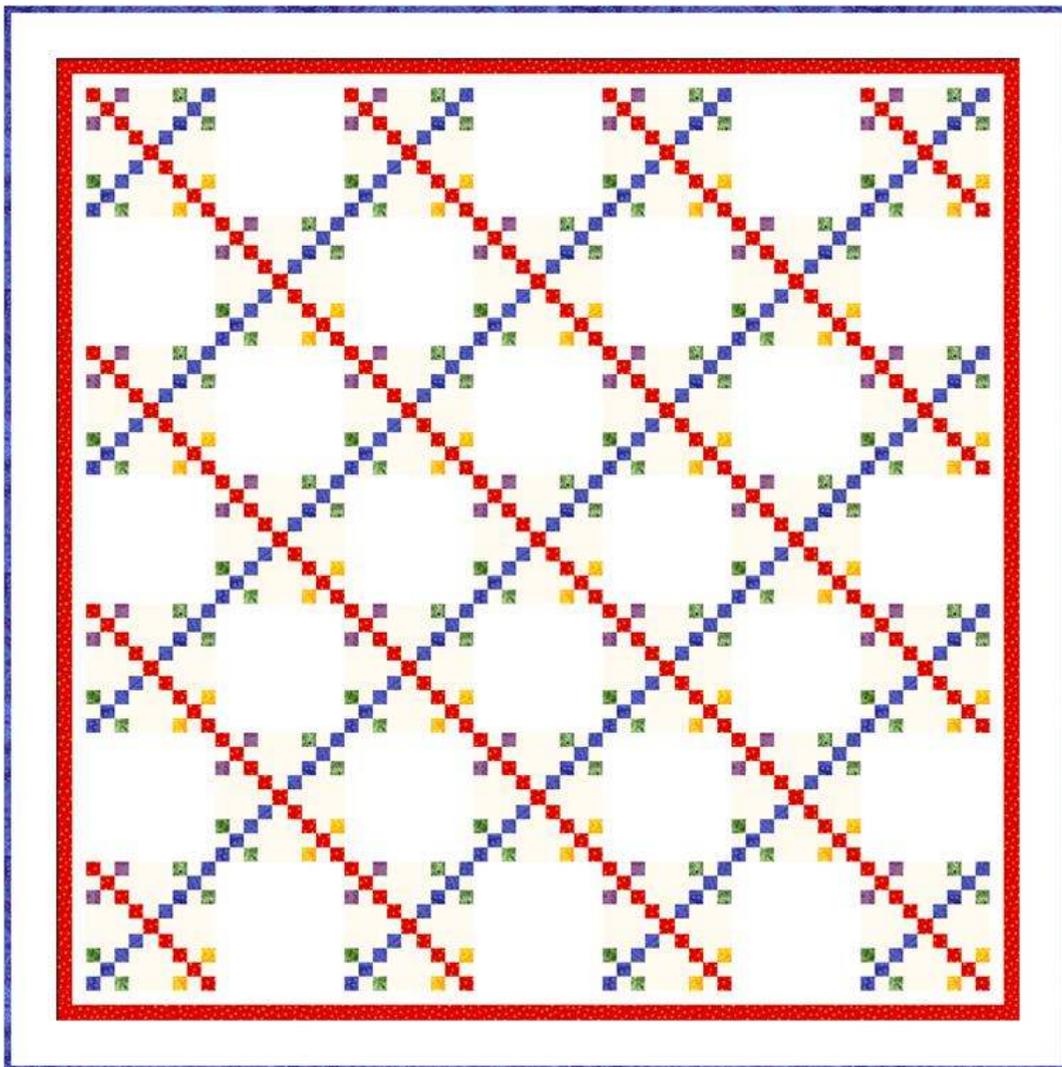

Here's a 9-Patch made up of 9-Patches! I just love the look of this quilt and all of its ancestors!

It certainly is a classic and easy to make! But it does take lots of 9-Patches (125!)

Of course you could make this as a two-color quilt (You would need the background plus 2 1/2 yards of the single color) or you could go totally scrappy (Think Swap Squares, a Layer Cake or even Jelly Roll Strips cut to 1 1/2") and not have the red or blue chains but just a rainbow wash of color!

### *Supply List*

Background:	5 1/2 yards
Red Chain and Border 2:	1 yard
Blue Chain and Binding:	1 yard
Green Accent:	1/4 yard
Purple Accent:	1/8 yard
Gold Accent:	1/8 yard

*The Nostalgic 9 In 9 Quilt Pattern will be posted in parts  
On LynBrown.com July 28, August 4 and August 11*
