8" of Ribbon

Assembly:

1. Following diagram, appliqué pieces in place (In alphabetic order) atop the white ground. Note: Sample is not even stitched. I don't think it needs to be. It is just fused in place.
2. Layer flag, batting and backing. Fold ribbon in half and tuck ends in the corner by blue field between the flag and the batt to be caught by final stitching. Stitch about 1/4" all around. Trim close to stitching.
