

# Game On!

## Mystery

### Clue Five

Following the diagram at right, assemble Block A...  
But don't forget... Mysteries often have Red Herrings.  
So all I can say is...

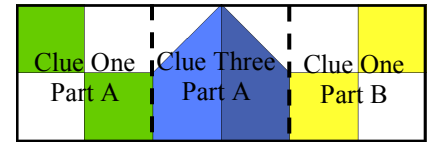

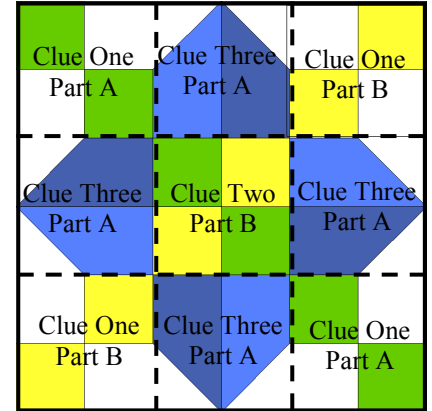

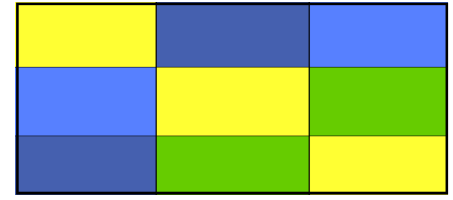

*When you finish this clue,  
There is still more to do!  
One of the blocks we will tweak,  
When you check back next week!*

#### Cutting:

Be sure all units referenced are trimmed to 4 1/2" before starting.

#### Assembly:

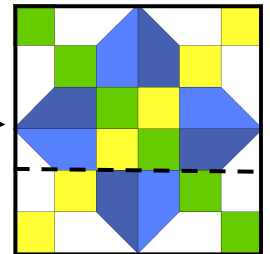

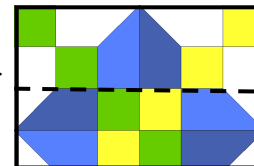

1. Following the diagram at right and constantly WATCHING YOUR ORIENTATION, stitch a Clue One Part A unit to the left side of a Clue Three Part A unit. Press to the Clue Three Part A Unit. Add a Clue One Part B unit to the right side. Again press to the Clue Three Part A Unit. Make 26.
2. Following the diagram at right and constantly WATCHING YOUR ORIENTATION, stitch a Clue Three Part A unit to the left side of a Clue Two Part B unit. Add another Clue Three Part A unit to the right side. Press to the Clue Three Part A Units. Make 13.
3. Assemble the unit by stitching a Step 1 unit to a Step 2 unit. Next add another Step one unit, flipped around, to the bottom to complete this clue. Unit should measure 12 1/2".

Make 26. Press In.

Make 13. Press Out.

Note that there is a Color Two Dark (Green) Chain and a Color Three Bright (Yellow) Chain. And all the Clue Three Part A (Blues) Units "Point Out".
