

Nostalgic Nine In Nine Quilt 2014 Week 1

(75" X 75")

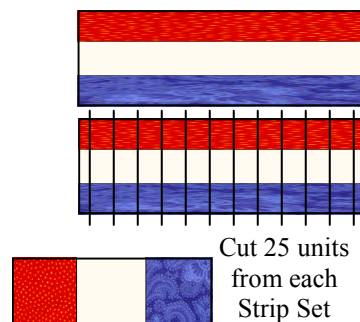

For this week's 9-Patch A (Center) cut:

- 4 ea. 1 1/2" WoF strips Background.
- 3 ea. 1 1/2" WoF strips Red
- 2 ea. 1 1/2" WoF strips Blue

Making The "A" 9-Patches:

1. To make the 9-Patches for this quilt, cut width of fabric (Selvedge to selvedge) 1 1/2" strips for each patch in the block.
2. Stitch strips together into 3-strip Strip Sets representing each row of the block (3 total). Press top and bottom row Strip Sets to the outside and middle row Strip Set to the center.

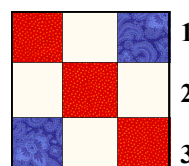

So for the 9-Patch A Units:

Strip Set 1 is Red-Background-Blue

Strip Set 2 is Background-Red-Background

Strip Set 3 is Blue-Background-Red (Same as Strips Set 1, but flipped around)

3. Cut the 3 1/2" wide strip sets into 1 1/2" units (25 from each).
4. Assemble the units, watching their orientation into the 9-Patch A Units. 9-Patches should measure 3 1/2" raw. Make 25.
