From LynBrown.com

You will need:

Large scraps for Bodies/Dresses/ Backs/Hanging Strap

Scraps for Aprons

Scrap for Face

Scrap(s) for Hair

ALSO:

Stuffing

Micron Pigma Permanent Marker

Cutting: (Templates on next page)

Cut two pieces (One Back and one Front) for each sized Ornament along dashed lines.

3 Hanging Straps 1 1/4" X 9 1/2"

Draw Faces:

Place face scrap over face pattern. Trace, using permanent marker and light source if needed. Trace all three, leaving space to cut each face.

Prep for Appliqué your favorite way: (Add seam allowance for hand appliqué)

Face for each size

Hair for each size

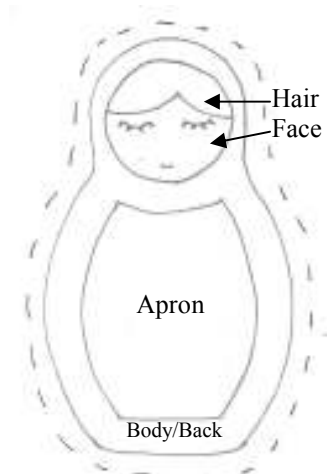

Apron for each size

Assembly:

1. Press each strap in half lengthwise. Open and press edges to crease. Fold again and stitch along edge. Make 3. Now fold Strap in half cross-wise and pin one strap to center top right side of each back. Appliqué in place.
2. Place Apron, Face and Hair on doll front pieces according to pattern.
3. Place front and back of large doll right sides together and stitch 1/4" seam all around, catching the strap, and leaving an opening for turning and stuffing at bottom. Clip seams. Turn and stuff. Repeat for other Doll Ornaments. Slip stitch openings.
4. Hang your ornaments on the tree or give away with love!
