

Jolly Birds Christmas Tree Ornaments

From LynBrown.com

This simple Bird Ornament reminds us that
It's natural for birds to live in trees... Even Christmas Trees!
Make them out of cottons, wool, home decor any fabric you prefer.
Make them in multiple sizes!

Supplies For Two Birds:

Fat Quarter Red

20" Ribbon

Stuffing

Cutting:

Red: Templates Small and Large

Templates include 1/4" seam allowance.

Fold fabric right sides together and place template of desired size on top. Pin.
Cut around template to yield two bird pieces that are MIRROR IMAGES.

Assembly:

1. Fold Ribbon length in half and pin in place at the R on one of the Bird pieces so raw edges are even.
2. Place two Bird pieces right sides together. Starting from bottom X, stitch around Bird to other X, so an opening is left.
3. Clip curves and trim points. Turn Bird. Smooth curves and push out points from inside.
4. Stuff Bird evenly to desired plumpness. Stitch opening closed. Repeat for second bird.
5. Hang a few Jolly Bird ornaments into your Christmas tree, use them to adorn gifts, or add them to your holiday decor.
