Spring Pillow   from LynBrown.com

Background, Batting and Backing 11 1/2" x 19 1/2".
2 Pillow Backs 10 1/2" x 20 1/2"
Prep for Fusible Appliqué: Letter Templates (this page and next)

Intense Quilting Replaces Appilique Stitching

Pillow Cover Assembly:

1. Crease the Background in half both lengthwise and crosswise. Layout your letters centered on the Background using the creases as a guide. Fuse in place. These will be stitched down with intense quilting.
2. Layer Background, Batting and Backing. Quilt as desired. I quilted lines randomly spaced about 1/4" apart. Trim to 10 1/2" x 18 1/2".
3. Fold the Pillow Backs wrong sides together crosswise (to 10 1/2" x 10 1/4"). Layer atop the Right Side of your quilted piece, aligning raw edges with the folds overlapping at the center. Stitch all around, trim corners and turn through the opening created by the folds.

* * * * * * *

Intensely Quilted Pillow

Pillow Backs folded and raw edges aligned atop Pillow Cover

Inner Pillow:

3/8 yard of muslin or other scrap fabric
Stuffing (I like PolyFil 100% Premium Polyester Fiberfill)

Cut:

2 ea. 10 1/2" x 18 1/2"

Assembly:

1. Place the two fabrics right sides together. Stitch around, leaving an opening to turn.
2. Turn and press. Stuff. Hand stitch opening close.

PS...We will be making more pillow covers this size so you can just change them out through the year.

All Seam Allowances Are 1/4"
